

ASAM Voter Voice App Guide

Welcome to ASAM's guide to using the Voter Voice App. This powerful tool is a key component of ASAM's advocacy strategy. Using this app, you will support clinicians and patients everywhere by advancing ASAM's strategy to build a robust addiction treatment system across the country. See below instructions on using the app.

- 1) Download the app on your mobile device. You can click [here](#) to download the Voter Voice app for your iPhone or iPad. Click [here](#) for other devices.
- 2) Enter your email address.
- 3) Make sure to click the menu option "Find Organization" and search for "American Society of Addiction Medicine." That will set your default organization to ASAM.
- 4) On the next page, you will see a list of ASAM's current action alerts. You can click on an alert to send an email to your congressional representatives!
- 5) You will also see a dropdown menu which should display options like "Advocacy" (i.e., ASAM grassroots email campaigns); "Directory" (i.e., automatically populated with your federal officials based on the home address that you entered for your profile); "Bills" (i.e., lists all the federal bills that ASAM has endorsed this session); and "Meetings: (i.e., will list future Congressional meetings we schedule for you with your permission).
- 6) Congratulations! You are officially a member of ASAM's advocacy network. Check this app whenever you want to influence policy and support accessible addiction treatment.
